**Attn: Ben Shavolian**

Dear Mr. Shavolian:

Thank you! On behalf of my constituents, staff, and myself I would like to say thank you for helping make our community Family Days a success. Family Day is an important community event, which takes place once a year in each housing development throughout our district. Due to some unforeseen budget restraints several of our housing developments were on the verge of missing out on their Family Day events, but with your assistance we were able to insure that each housing development within our district enjoyed a successful Family Day.

Additionally, I thank you for your generosity in assisting with our Holiday Turkey giveaway, which was a big success. We thank you for your continuous support to our constituents and to the development of my district.

Sincerely,

A handwritten signature in cursive script that reads "Charles Barron".
